2020
EDITION

WHO ARE WE?

Generating Income For Tomorrow is a 501c3 nonprofit corporation. We were founded on May 5, 2020, with the goal of providing grants to Black owned businesses in the urban core of Kansas City. Our mission is to provide grants to Black-owned businesses in Kansas City, with a specific interest in businesses that operate in low-income areas.

We know this will create more jobs and convert an economically disadvantaged area into an area of economic opportunity. We aim to assist in creating generational wealth, while also reducing instances of poverty related crime and violence in our communities.

THE PROGRAM

Our program provides grants in the amount of \$10,000, \$25,000, and \$50,000 to Black businesses operating east of Troost.

The businesses are chosen through a rigorous process that includes an online application, 2 application reviews, and an in-person interview with our Board of Directors.

Upon receiving the grant, we also provide a team of technical assistance providers to make sure the grant recipients are set up for long term success.

Our technical assistance partners include:

1. Entrepreneur Business Basics providing business coaching for 12 months (Paid by GIFT)
2. OCD Financial providing accounting services for 12 months (Paid by GIFT)
3. Husch Blackwell providing legal services (Pro Bono)
4. Beveridge Seay providing 13 hours of marketing, branding, and design work (Pro Bono)

RECIPIENT GUIDELINES

The guidelines for how G.I.F.T. identifies grant recipients are outlined below:

1. The business applying for the grant must be majority Black-owned.
2. Preference will be given to businesses that are located or operate in our identified focus area (64109, 64110, 64127, 64128, 64130, and 64132).
3. The business must have a detailed itemized breakdown of exactly how the grant dollars would be utilized, and clearly articulate the detailed long-term impact on business growth.
4. Eligible expenses are payroll, inventory, fixed cost (rent, equipment, lease, etc.), and other day to day expenses.
5. Preference will be given to projects with the highest propensity for job creation.
6. The business will need to submit proof of their organizational structure and a recent financial statement.
7. Failure to provide this information will result in the application being disqualified.

SUMMARY

The GIFT Grant Program official kicked off on October 1, 2020, but there was a special grant made to Ruby Jean's Juicery in August of 2020, to help them through the hardships of the pandemic.

Since May of 2020 through April of 2021, GIFT has raised \$443,369.68 and has had 100 Black owned businesses apply for grant funding. We have given out \$227,000 to 14 different grant applicants and spent an additional \$12,270 on technical assistance for the grant recipients.

Another benefit of the program has been an increase in exposure and marketing for our grant recipients, which has led to new contracts, retail deals, increased sales and more.

As a result of the \$227,000 awarded through the GIFT Grant Program, we have seen 22 jobs created in these businesses so far, 7 jobs saved, at least 8 more jobs projected by Q4 2021, and an average of 178.7% growth in business revenue between them.
